Solid Steel PU Dumbbell

PUD018

- Solid steel core dumbbells with integral welding as single piece unit
- Premium grade urethane coating for crack resistance, whilst also protecting floors when dropped
- Hard chromed finish of the handle provides longevity and a rust resistance
- 12mm Knurling gives comfort and stability when holding the dumbbells

2-100KG, 2KG per increments

2.5-100KG, 2.5KG per increments

5-220LB, 5LB per increments

Commercial PU Dumbbell

PUD021

- Solid steel core dumbbells with integral welding as single piece unit

PU Yoga Mat

SF8298

This exercise mat features a dual surface, with a PU top layer coupled with a durable rubber base. The PU top layer offers a smooth and non-slip surface, providing a secure grip for various yoga asanas. The bottom textured rubber layer ensures stability throughout your practice, enhancing your balance and posture.

- Made from eco-friendly PU and natural rubber
- Size: 183 cm x 68 cm x 5 mm – extra wide!
- Comes with a carrying strap, makes it easy when you need to take it with you, just throw it over your shoulder
- Easy to clean

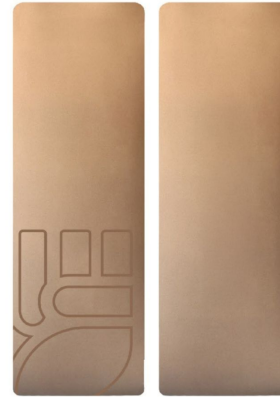

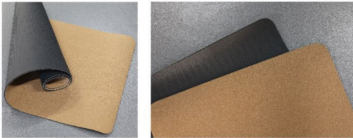

Cork Yoga Mat

SF8110

Our gorgeous Cork Yoga Mats are the natural choice for any aspiring Yogi! The cork finish provides a smooth, natural surface for you to perfect your poses and the grip actually improves as you sweat. Great for advanced users.

- Eco friendly 100% natural cork surface
- TPE foam backing
- Bonded using eco-friendly adhesive
- Cork has natural antibacterial properties
- Easily wiped clean
- Absorbs impact and keeps hands/feet steady during use
- Lightweight and easy to roll
- Includes handy carry strap
- Size: 183x61cm
